

DEVON ORIENTEERING CLUB

Devon MapRun League 22

Crediton

Sunday 24th April – Sunday 1st May

General Information: This is Devon's third outing in our **2022 MapRun League!** Come along and explore Crediton with a 1 hour Score event.

Queries: Email Matt Atkins at <mailto:maprun@devonorienteering.co.uk>

Organiser & Planner: Spencer Modica

Directions and Parking: Start and Finish are at the High Street / St. Saviour's Way car park, Cranbrook, EX17 3LG (£1.80 for 2 hours), what3words: season.slips.commenced.

Terrain: Mostly suburban streets and tarmac paths, but with an option to try some local footpaths. Please be careful on the roads and on the unmade

paths, especially if it has been raining. Please wear appropriate footwear and high visibility clothing suitable for the weather conditions. This course is not suitable for running in the dark, nor for juniors.

Map: 1:7500 scale OpenOrienteeringMap

Course information: Score event using the MapRun app. You have 60 minutes to go from the Start to the Finish via as many controls as you can in any order. Gain between 10, 20, 30, 40 or 50 points per control – the first digit of the control number will indicate its score. Lose 10 points per minute – or part minute over the 60. Visit our MapRun pages for info on getting and using the app:

<https://www.devonorienteering.co.uk/category/maprun>

For those that already have been using MapRun, there is a new version:

MapRun6. We advise that you uninstall any older versions and install this new version.

Course Opening Times: The course will be open from **9am on Sunday 24th April through to 6:30pm on Sunday 1st May.** You can run the course at any time of your choosing during this period. The course will be closed after this period.

Meet up: There will be an informal meet at the High Street / St. Saviours way car park on **Sunday 24th April between 10am and 11am.** Spencer & Matt will be on hand to provide printed maps to those that need them and to offer help with using the MapRun app. Please tick the box on RaceSignUp if you are coming to the Meet up. The General Redvers Buller pub (Wetherspoons) will be open with a beer garden that can be accessed directly from the car park. Join us for a drink after your run!

Start & Finish Locations: the High Street / St. Saviour's Way car park, Crediton, EX17 3LG, what3words: season.slips.commenced

Entry details: Seniors £4 / Juniors £2. Online entry only via:

<https://racesignup.co.uk/site/event.php?eventid=2707>

Please note: Due to safety and insurance reasons under 16's must be accompanied on their run by an adult.

Once you have entered you will be emailed a copy of the map on the day the course opens. If you enter after the course has opened we will email you a map as soon as we can.

If you need a map printed, this can be collected at the Meet Up.

Unlike a conventional orienteering event, where you pick up your map after punching the start, you will have the opportunity to study the course and plan your route before you start. You are welcome to do this but we would ask that, for reasons of fairness, you refrain from looking at other competitors tracks in the results section of the MapRun app before you have completed your own run.

League information: This is the third of our **Maprun League** events. The League is very low key and informal, just to provide a bit of competition for those who are keen! There are currently 8 events pencilled in although we may add one or two more as we go along. Best 5 results to count towards your final League position. Scoring will be 100 points for the winner of each event, 99 for second, 98 for third etc. You are welcome to run the course as many times as you like but only your **first** run will count towards the League.

Dates / Locations:

- **Crediton** - 24th April - 1st May / Meet Up 10am – 11am Sunday 24th April.
- **Ivybridge** - Date / Time TBC.
- **Cockington** - 13th June / Time TBC.
- **Sidmouth** - Date / Time TBC.
- **Shaldon** - Date / Time TBC.
- **Barnstaple** - Date / Time TBC.

Results:

Final results for each course will be published on the website as soon after each event as we can. MapRun has its own set of results which you can access on the app, therefore allowing you to follow progress of the results as people participate. You can run the course as many times as you like but only your **first** run will count as your result for the League.

Safety Info: Every effort will be made to ensure the event is safe for competitors and the public. We ask that at all times you adhere to the government's guidance on social distancing and follow the British Orienteering's Code of Conduct which can be found

at:https://www.britishorienteering.org.uk/COVID19_Safe_Orienteering

It is vital that all attendees at this event act as ambassadors for the sport of orienteering at all times and consider how their actions may appear in the eyes of landowners or members of the public. Anyone who has symptoms of COVID-19, who is living in a household with someone who has a possible or confirmed COVID-19 infection, or who has been asked to isolate by NHS Test and Trace should remain at home.

You enter and participate entirely at your own risk.

For safety and insurance reasons under 16's must be accompanied on their run by an adult.

As this is a 'run in your own time' event there will not be any First Aid cover.

As always with urban events your biggest danger will be traffic! **Please take care when crossing all roads!**

Please be courteous to other people you come across in the area. Keep an eye out for cyclists, pedestrians, as well as cars etc. Oh, and other orienteers! Please be especially careful on narrow paths and lanes and round unsighted corners.

To minimise risk please choose a quiet time of day to run. Perhaps take advantage of the light summer evenings. This course is not suitable for running in the dark. Remember that safety is more important than results.

Check the weather before travelling and let your next of kin know where you are going.

Bright/fluorescent clothing is advisable.

A Risk Assessment has been completed for this event.
