

DEVON ORIENTEERING CLUB

Devon MapRun League 22

Exmouth East

Saturday 8th Oct – Sunday 16th Oct

General Information: This is Devon's final outing in our 2022 MapRun League! Come along and explore Exmouth with a 1 hour Score event.

Come to the Meet Up/Devon OC AGM afterwards!

Queries: Email Matt Atkins at <mailto:maprun@devonorienteering.co.uk>

Organiser & Planner: Adrian Taylor

Directions and Parking: Start / Finish Outside St Joseph's School, Exmouth, EX8 1TA What3Words: goal.drip.cross

Parking is free and adjacent to the School entrance. Alternatively, down Regents Gate, past the parking spaces.

Terrain: Mostly suburban streets and tarmac paths. Please be careful on the roads and on any unmade paths, especially if it has been raining. Please wear appropriate footwear and high visibility clothing suitable for the weather conditions. This course is not suitable for running in the dark, nor for unaccompanied juniors.

Map: 1:12,500 scale OpenOrienteeringMap

Course information: Score event using the MapRun app. You have 60 minutes to go from the Start to the Finish via as many controls as you can. Gain 20 points per control. Lose 10 points per minute – or part minute over the 60. Visit our MapRun pages for info on getting and using the app:
<https://www.devonorienteering.co.uk/category/maprun>

For those that already have been using MapRun, there is a new version: MapRun6. We advise that you uninstall any older versions and install this new version.

Course Opening Times: The course will be open from **10am on Saturday 8th October through to 6:00pm on Sunday 16th October**. You can run the course at any time of your choosing during this period.

Meet up & Devon Orienteering Club AGM!:

People completing the MapRun are advised to finish by 12.00 if they wish to also attend the DOC AGM which will begin at 12.30pm at the nearby Taylor's house (22 Ryll Court Drive, EX8 2JP). Adrian & Matt will be on hand to provide printed maps and to offer help with using the MapRun app.

Pasties and soft drinks will be available at the Taylor's house in conjunction with the AGM if ordered beforehand via Helen!

Entry details: Seniors £4 / Juniors £2. Online entry only via:

<https://racesignup.co.uk/site/event.php?eventid=3011>

Please note: Due to safety and insurance reasons under 16's must be accompanied on their run by an adult.

Once you have entered you will be emailed a copy of the map on the day the course opens. If you enter after the course has opened we will email you a map as soon as we can.

If you need a map printed, this can be collected at the Meet Up.

Unlike a conventional orienteering event, where you pick up your map after punching the start, you will have the opportunity to study the course and plan your route before you start. You are welcome to do this but we would ask that, for reasons of fairness, you refrain from looking at other competitors tracks in the results section of the MapRun app before you have completed your own run.

League information: This is the last of our **Maprun League** events for 2022.

The League is very low key and informal, just to provide a bit of competition for those who are keen! Best 5 results to count towards your final League position. Scoring will be 100 points for the winner of each event, 99 for second, 98 for third etc. You are welcome to run the course as many times as you like but only your **first** run will count towards the League.

Results:

Final results for each course will be published on the website as soon after each event as we can. MapRun has its own set of results which you can access on the app, therefore allowing you to follow progress of the results as people participate. You can run the course as many times as you like but only your **first** run will count as your result for the League.

Safety Info: Every effort will be made to ensure the event is safe for competitors and the public. We ask that at all times you adhere to the government's guidance on social distancing and follow the British Orienteering's Code of Conduct which can be found

at:https://www.britishorienteering.org.uk/COVID19_Safe_Orienteering

It is vital that all attendees at this event act as ambassadors for the sport of orienteering at all times and consider how their actions may appear in the eyes of landowners or members of the public. Anyone who has symptoms

of COVID-19, who is living in a household with someone who has a possible or confirmed COVID-19 infection, or who has been asked to isolate by NHS Test and Trace should remain at home.

You enter and participate entirely at your own risk.

For safety and insurance reasons under 16's must be accompanied on their run by an adult.

As this is a 'run in your own time' event there will not be any First Aid cover.

As always with urban events your biggest danger will be traffic! **Please take care when crossing all roads!**

Please be courteous to other people you come across in the area. Keep an eye out for cyclists, pedestrians, as well as cars etc. Oh, and other orienteers! Please be especially careful on narrow paths and lanes and round unsighted corners.

To minimise risk please choose a quiet time of day to run. This course is not suitable for running in the dark. Remember that safety is more important than results.

Check the weather before travelling and let your next of kin know where you are going.

Bright/fluorescent clothing is advisable.

A Risk Assessment has been completed for this event.
