Devon Orienteering Club are pleased to invite you to take part in the 2014 Compass Sport Cup and Trophy Event at Haytor near Bovey Tracey.

The open moorland with intricate rock features and old mine workings should provide a suitably challenging area for the competition. The area is relatively free of bracken at this time of year and is very runnable.

As this an inter-club competition entry except for white and yellow courses will be pre-entry and strictly through individual club captains.

As in 2012 we are able to use the facilities and catering provided by the Moorland Hotel. Last time this arrangement proved very successful and provided an excellent social gathering for members from many south west clubs.

The parking is still limited but worked very well in 2012 due to the co-operation of all those taking part. We will be using the same system of car sharing as last time with pre-allocated parking spaces for those who arrange to come with full cars in advance of the event.

Cost: Seniors £10, Juniors (under 21) £3
