

Devon Orienteering Club Bake Off

To celebrate the 50th anniversary of SWOA (South West Orienteering Association) each club in the association is holding an event. After the score event at Knightshayes we invite you to join us for a cup of tea and bake off completion.

If you would like to take part in the bake off you need to:

Make a cake with an orienteering theme/flavour that can be cut into 8 slices/portions

In no more than 100 words write an explanation of your cake, such as why it reminds you of or is relevant to orienteering.

Be prepared to share your cake with other orienteers after the judging!

Write your name and orienteering class on the back of your explanation to allow the judges an unbiased opinion.
