

## British Orienteering Championship Weekend 2<sup>nd</sup> & 3<sup>rd</sup> October 2021 at Braunton Burrows

Hopefully you will already have seen that this event is coming to Devon soon and will provide a fantastic opportunity for you to take part in a high quality event on a challenging area.

The usual individual British Championship event will be held on Saturday 2<sup>nd</sup> October, followed on Sunday 3<sup>rd</sup> by a second day of individual courses being a UKOL event, rather than the usual relays.

The event is being organised by Bristol Orienteering Klub working in conjunction with Devon OC, and we have been asked to provide volunteers in key roles over both days.

Devon OC will be providing the SI/download team, car parking marshals and start teams and we would like you to offer your help by putting your name down to volunteer at this prestigious event.

With teams working in shifts you will still be able to run on both days and it has been agreed that volunteers will receive a 30% discount on their entry fees. That means you could save up to £12.60 by offering your help over the two days. It would help us if you are able to attend both days, as we can keep our teams on the same or similar tasks each day.

Entries are now open on Fabian4 and to claim the discount, we will need to give you a code when you volunteer, which you can then use when entering the event.

The sooner you are able to offer your services the better as it will help us organise our teams, and it will also enable you to enter the event and claim the discount.

If you could please email [philbeale102@gmail.com](mailto:philbeale102@gmail.com) to volunteer, as early as possible, that would be much appreciated.

Please clarify if you are able to help on both days. If you have a particular preference on roles we will try and accommodate that where we can, and we will work out the shift arrangements so everyone gets their run once we know who is coming.

A number of club members have already worked hard to help British Orienteering and BOK ensure that this major event can go ahead, so we look forward to hearing that you can also be part of making it happen.
