Green Course

1 24 	2 19 	3 20 	4 26 	5 31 	6 27 	7 28 	8 29 	9 04 	10 07 	11 09
----------	----------	----------	----------	----------	----------	----------	----------	----------	-----------	-----------

Notes:

1. The number in the top left of each box is the sequential order in which the controls are visited.
2. In the top right of each box is the identifying code marked on that control.
3. The pin punch code is in the centre of the box and is the one you need to check to verify the control has been visited.

All Controls
