Orienteering for All!

Saturday 20th January & Saturday 17th February 2024

Join Devon Orienteering Club for some informal (and free!) orienteering (navigating a route with a map and compass), suitable for beginners (including absolute beginners), improvers and more experienced people who just want a bit of practice.

We'll be at **Wheathill Plantation** (What3words ///**disarmed.obey.trackers**) from **1030** to about **1200** (when we'll start collecting in the check points). Bring waterproofs and footwear that you don't mind getting muddy and enjoy the footpaths and open spaces of the Pebblebed Heaths. We'll bring the maps and compasses.

No need to book. For more information, contact Damian Wilson through:
